

## How do I use Community Bikes?

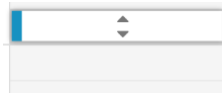

1. Go to <https://lmh.skedda.com/register?key=81bd191>
2. Sign up using your LMH email address
3. You now have access to our lovely community bikes!
4. The bike names are listed along the top of the booking page like this:

61 - Sky Blue Bike (large)	62 - Sunny Yellow Bike (small)	63 - Purple Bike (small)	64 - Red Bike (large)
-------------------------------	-----------------------------------	--------------------------	-----------------------

5. And the times are noted down the right-hand side like this:

10:00
11:00
12:00

6. To book, simply choose which bike you would like to ride, then click on your chosen start time. This will create a little box, which you can drag to your desired finish time, using the arrows that appear:

7. You'll receive an immediate email to thank you for your booking, and then another email shortly after (5-10mins) with your personalised lock code.

Simple as that!!
